### REMOTE LEAGUES

The PPD group offers 2-player, 3-player & 4-player leagues. These leagues are on their website under the "Extreme Team" tab. If you want to play at a time of day other than our usual 7:30 start - there are many options out there for you. You can go right to this web site: [www.dartstoc.com](http://www.dartstoc.com) and post your team. When they get a minimum of 6 teams or a maximum of 10 teams at a time slot, they will begin a new league. Some leagues are handicapped and others are straight up.
